

Alexander Brooks

alexander.brooks@example.com | (347) 623-4599 | Hoboken, NJ

Cybersecurity professional with 7 years of experience designing and implementing security programmes for enterprise clients across financial services and healthcare sectors. Solid grounding in vulnerability management, cloud security, and compliance frameworks. Comfortable operating as an individual contributor and as a team lead on mid-sized engagements.

Experience

Senior Cybersecurity Consultant · [Optiv Security](#) 2020 – 2022

Delivered cybersecurity assessments and roadmap engagements for financial services and insurance clients, covering network segmentation, identity access management, and cloud security posture. Contributed to a 30% reduction in audit findings across three client accounts over the engagement period. Supported pre-sales scoping for mid-market accounts.

Cybersecurity Manager · [EY \(Ernst & Young\)](#) 2018 – 2020

Led a six-person team delivering vulnerability management and risk assessment services within EY's Cybersecurity practice. Oversaw quarterly risk reviews for three clients in the healthcare sector and coordinated remediation tracking against NIST CSF and HIPAA technical safeguard requirements. Introduced a standardised reporting template adopted across the team.

Senior Cybersecurity Analyst · [Verizon Business](#) 2016 – 2018

Conducted penetration testing and vulnerability assessments for internal infrastructure and customer-facing platforms. Identified and documented remediation paths for medium and high-severity findings in network and web application environments. Collaborated with engineering teams on patch prioritisation and tracking.
